BARC, INC.

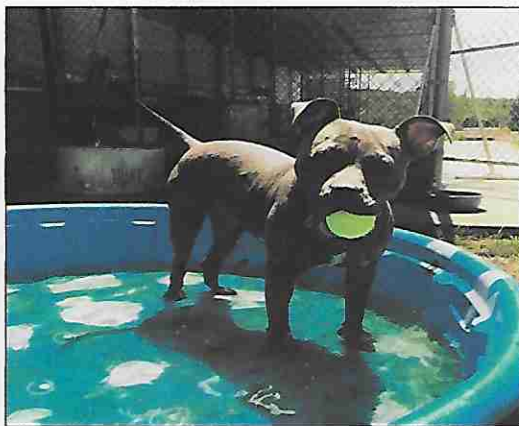

BARC IS A 501(c)3, 100% volunteer run, non-profit organization. Our Board of Directors and dedicated volunteers are motivated by love and compassion for all animals. We are committed to raising funds to support the new Belchertown Animal Control Facility as well as hosting educational programs and bringing in animal services to the community.

WHY BECOME A SPONSOR?

Whether you are an animal lover or a devoted community member, you can be a part of this building **forever**. From the start, the creation of this new Animal Control Facility has been a community-initiated and inspired project and we need the community's continued support. A sponsorship will allow animals that come into the Animal Control Facility to experience a level of comfort during a stressful experience. You can make a difference to an animal in need! Our new Animal Control Facility is a reflection of how wonderful Belchertown is.

BENEFITS

A sponsor will have their name/logo affixed on a permanent signage or plaque (can be named in honor/memory of), acknowledgment in the local media and permanent recognition on the BARC website.

PROGRESS

Thanks to the generosity of the Town of Belchertown, our community members and members of surrounding communities, the building is open!

THE FUTURE

The new Belchertown Animal Control provides a safe and healthy environment for our animals and transition these animals into our community. BARC will continue to support our animal control officers through our support of:

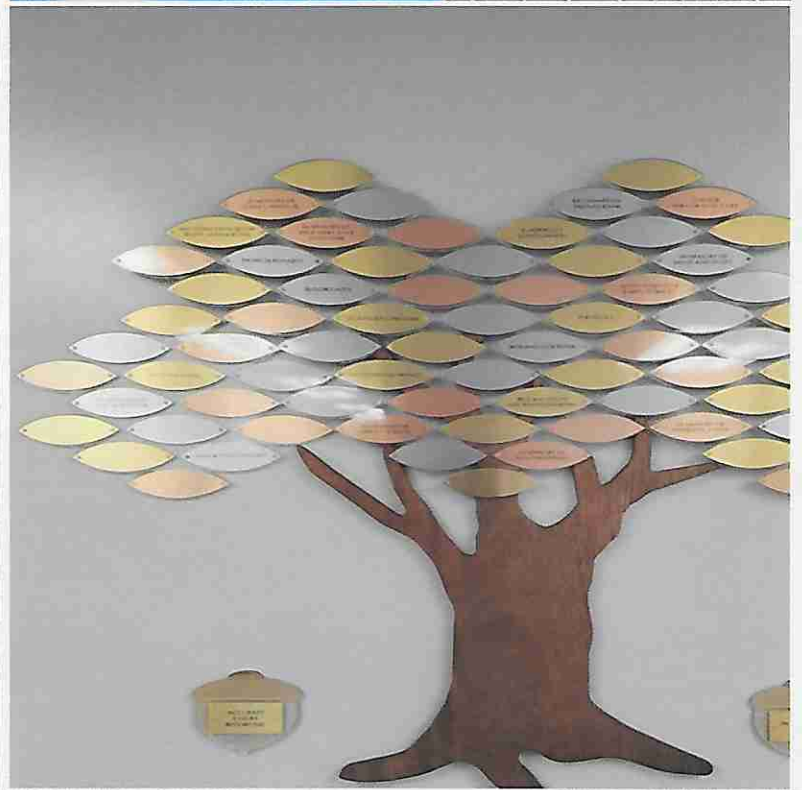

- Adoption Services & Networking with AniMatch
- Animal Care
- Partnering with local Veterinarians to provide the best care for our shelter animals, including spaying/neutering all of a adoptable animals prior to placement
- Arranging easily accessible rabies and microchip clinics; Assisting our community with trapping, spaying/neutering and vaccinating feral cats
- Wildlife Care- Picking up and transporting wildlife to local rehabilitators
- Providing adoption counseling
- Implementing in-school programs directed at developing the next generation of responsible pet owners
- Participating in community events
